OUR VALUE ADDED PARTNERS

Constantly innovating for the best nights' sleep possible, Duvalay™'s bespoke mattresses and bedding are trusted by our customers. We fit Duvalay™'s Duvalite™ mattress as standard on all fixed beds across our caravans and motorhomes, while our holiday homes and lodges feature the exclusive Duvalay™ Holiday Home Collection mattress.

Proudly made in Sweden since 1949, Alde delivers the quietest, most comfortable heating systems for the world's explorers. We have worked with Alde since 1994 to help make our leisure vehicles feel more like home, testing our caravans and motorhomes down to minus 15°C to ensure you stay cosy no matter where the road takes you.

Swift partners with Oyster satellite TV and broadband to keep you entertained on the go. The permanently mounted dishes fold away when travelling, then locate the satellite signal automatically for efficient operation. Made in Germany with a dedicated UK service centre, the satellites come with a 3-year warranty.

Swift Group is proud to support local charity the Daisy Appeal.

The Daisy gives loved ones faster, more accurate, diagnosis of three of the region's biggest killers – cancer, heart disease, and dementia.

The charity's aim is to provide a world-class PET-CT scanning facility which will provide a comprehensive clinical service, alongside an ambitious clinical research programme exploring new applications of imaging techniques.

Currently in the UK, most PET-CT scanning is carried out on cancer patients. However, it has great potential in various heart, neurological and other diseases. Many of these will necessitate the use of short half-life radioactive 'markers' which will need to be manufactured on site. Hence the requirement of a purpose built cyclotron, radiochemistry and radiopharmacy facility.

For every caravan, motorhome and holiday home sold, Swift Group make a donation to the Daisy Appeal, helping them to reach their goal of becoming the UK's number one PET-CT service.
